You normally have a calendar month to bring us other information needed to support your application. If you want to apply for Alternative Maximum Council Tax Reduction then you need only complete sections 1, 2, 4 and 17 of this form. If you are claiming Universal Credit then help towards your rent will normally be assessed as part of that claim. You will not normally be entitled to Housing Benefit if you receive Universal Credit, unless you live in supported accommodation. You may still receive help towards your Council Tax. If you have not moved into your address when you submit the application then please give written or emailed confirmation of the date that you do move in and ask the Revenues & Benefits Team for more advice.

Please take a few minutes to read these notes before you fill in your application form. This section is for you to tear out and keep for your future reference.

Before you begin

Please don't be put off by the size of the application form as you may not need to complete every part of it. Please use ink to fill in the form - don't worry if you make a mistake, just cross it out and write your answer again.

If a part or section **does** apply to you then please ensure you give all details asked for - or as much information as you can. If a part or section **does not** apply to you then please select "no" or "none" as your answer where asked to do so.

Further details are given in each part of the form. However, if you need any advice or help to fill in your application form then please contact the Revenues & Benefits Team. Full contact details are on the first page of the form.

Evidence needed to support my application

Each part of the form tells you if any proof is needed, and gives examples of the proof that we can accept.

All applicants must provide the proof asked for to support their application. The proof asked for is required within the terms of the relevant regulations, ensures that applicants receive the maximum possible award of Housing Benefit and/or Council Tax Reduction, and is also used to prevent and detect fraudulent applications.

Please provide **original documentation**. We will copy it and return all originals to you immediately.

If you are unable to provide all the proof straightaway then you should still return your application to the Revenues & Benefits Team as soon as it is completed. You will then have a calendar month to provide all the proof needed. If you cannot provide all the proof needed to support your application within a calendar month then contact the Revenues & Benefits Team **before the calendar month ends** to ask for advice.

Please help us to help you as we cannot pay you any Housing Benefit and/or Council Tax Reduction that you may be entitled to until you provide all the necessary information and evidence to support your application. As this is the case, please complete the checklist on the other side of this page when you have completed the form as it gives you a list of the proof we need to support your application. It can also be used to remind you of any proof that you still need to give to us to support your application.

Housing Benefit prior to moving in or for an unavoidable overlap of liability

It may be possible to pay Housing Benefit before you move in to your home, or for two homes. However, this can only be awarded if you meet certain conditions **and** you can prove that the delay in moving into the property was reasonable, or that an overlap of tenancy dates could not reasonably have been avoided.

Please note that East Dunbartonshire Council has no discretion to make an award of Housing Benefit if you do not meet the conditions for an award of Housing Benefit in these circumstances. Please contact the Revenues & Benefits Team for advice.

Even if you do not qualify for Housing Benefit, you can still claim for Council Tax discount/exemption when you have an overlap of Council Tax Liabilities. Please contact the Revenues & Benefits Team on 0141 578 8190 for advice.

What happens when you receive my application?

If we do not have all the information and/or evidence we need to support your application we will write to you. Once all information and evidence required is received we aim to process your application within fourteen days.

Please note that if you have sole or joint capital of over £16,000 you are not normally entitled to Housing Benefit and/or Council Tax Reduction. However you may be entitled to Alternative Maximum Council Tax Reduction. Please contact the Revenues & Benefits Team for advice.

Decision notice(s) will be issued to advise you of your award(s) and how we have reached our decision(s). You **must** check the decision notice(s) upon receipt and advise us **immediately** if you think that there are any errors or omissions in the information used to calculate your award/reduction. You have a calendar month from the date of issue of your decision notice(s) to make a written request for a further explanation regarding your award/reduction, a statement of reasons detailing how the award/reduction was calculated, to ask for the decision to be reconsidered, or to ask for a formal appeal.

If you are a Council Tenant, Housing Benefit will be paid directly into your rent account. If you are a Housing Association Tenant, payment will be made either to you or your landlord by cheque or bank credit. From April 2008, Housing Benefit (Local Housing Allowance) for most other Private Tenants will be paid to claimants unless the claimant meets specific criteria for payment to be made direct to their landlord.

If you receive Council Tax Reduction or Alternative Maximum Council Tax Reduction your Reduction will be paid directly in to your Council Tax account.

What are my responsibilities when I am in receipt of benefit/Reduction?

Once your application has been decided upon the information given in your application form you **must tell us in writing immediately** if any of your personal, household or financial circumstances change.

If you do not tell us about changes in your circumstances you may receive Benefit/Reduction that you are not entitled to and will have to pay this back. You may also be prosecuted or have to pay a financial penalty.
