

## EARLY LEARNING AND CHILDCARE (ELC) GUIDANCE NOTES

### 2019-2020

The Scottish Government are committed to support the expansion of Early Learning and Childcare by August 2020. This expansion will deliver 1140 hours per year to all children aged 3 and 4 as well as children aged 2 in receipt of certain benefits/criteria. East Dunbartonshire Council are developing a phased approach to expansion across localities; ensuring quality remains at the heart of delivery.

You can apply for an ELC place for your child in any local authority establishment in East Dunbartonshire. We also work in partnership with private and voluntary providers to ensure that they have a sufficient number of places and a range of provisions available to meet the needs and preferences of you and your child. Placement at centres attached to a school does not guarantee a place in the primary school. All ELC provisions are non-denominational.

#### Children under 3

We provide a number of places for children under three years within our local authority centres. These places are allocated to children referred by Social Services, Health or Psychological Services. Places will also be offered to **eligible** 2 year-old children including those who are looked after or under a kinship care order and children whose parents/carers/guardians are in receipt of certain benefits (see links below for further information). Eligible children can use their funding in the term following their 2<sup>nd</sup> birthday. You can also purchase hours at selected centres - this will need to be discussed with your chosen centre.

More information on eligible 2 year olds can be found at:

<http://www.gov.scot/Topics/People/Young-People/early-years/parenting-early-learning/childcare> or [www.earlylearningandchildcare.scot](http://www.earlylearningandchildcare.scot)

#### Children aged 3 and 4

Currently all 3 and 4 year old children living in East Dunbartonshire are entitled to a maximum of 600 hours per year which equates to a maximum of 16 hours a week over 38 weeks term time.

This is can be organised in the follow ways:

- Five funded sessions at a local authority ELC centre: Each session being 3 hours 10 minutes; five days per week – morning or afternoon. Term time (38 weeks per year excluding five in-service days). All local authority ELC centres offer funded sessions;
- At an extended day term time ELC centre in the local authority. These centres offer a full day of learning and childcare during term time – you can purchase additional hours at the EDC hourly rate. This rate is subject to an annual increase in August. At an extended day and year ELC centre in the local authority. These centres offer a full day of learning and childcare up to 50 weeks per year – you can purchase additional hours at the EDC hourly rate. This rate is subject to an annual increase in August...

- At a partner centre – funded sessions or extended day and year. Partner centres must meet certain conditions of contract as outlined in the Council’s Admission Policy, e.g. high quality ELC, implementing child protection and health and safety policies. Partner centres benefit from training provided by East Dunbartonshire Council and they are inspected by the Care Inspectorate. In addition they are inspected by Education Scotland to ensure the correct curriculum is being offered. **Partner centres have their own admission and charging policies and you must secure a place directly with them before completing our registration form for funding.**

### **How do I register my child and apply for a place?**

You can apply using one of our online application forms using these guidance notes. If you are unable to complete the online application form you can request a paper copy by emailing [earlyyears@eastdunbarton.gov.uk](mailto:earlyyears@eastdunbarton.gov.uk).

- If you have a 3 or 4 year old child please complete the 3 & 4 year old application. **The closing date for this is the 28<sup>th</sup> February.**
- If you have a 4 year old child returning to the **same** local authority centre please complete a **4 year old continuation form**. **The closing date for this is the 28<sup>th</sup> February.**
- If you have a 4 year old child returning to a partnership centre please complete the 3 & 4 year old application. **The closing date for this is the 28<sup>th</sup> February.**
- **If you have 2 year old child please complete the 2 year old application. Applications for 2 year olds can be submitted throughout the year.**

If you have applied for an East Dunbartonshire Council (EDC) centre after the closing date, we cannot guarantee there will be a place available. If you have applied for a Partnership Centre after the closing date, approval of all late applications will be subject to available budget.

**Please note:** Proof of residency is required (if living within East Dunbartonshire). We require a copy of your Council tax bill **and** recent utility bill (within last 3 months). You will also be required to provide a copy of your child's birth certificate and, if applicable, proof of 2 year old eligibility and/or proof of guardianship. You can attach the evidence (this can be a photo taken on your smart phone) to the online application form or alternatively take it to your local [HUB](#) quoting your application reference number.

### **How are places allocated?**

The [Early Years Admission Policy](#) is available on the website and provides the details on how we allocate places. If there are insufficient places to meet the demand for an ELC centre, a ballot will be conducted to ensure fair allocation. It is not always possible to place all children in the centre of choice.

Holiday provision will be available within each locality in Extended Year Centres. Places will be allocated in line with the [Early Years Admission Policy](#). You should apply separately if you wish to use this provision. Please see appendix 3 for session times available at your preferred centre.
