Structure and Governance

William Watson Mackay Trust is registered with the Office of the Scottish Charity Regulator (OSCR).

The governing document is the Will of William Watson Mackay (extract of Trust Disposition – extract available is not dated).

The governance arrangements are now under the control of East Dunbartonshire Council (the Council), who appoint Trustees as required. All Trustees are elected members of East Dunbartonshire Council. The Council agreed to the appointment of four Trustees on 15 November 2012 and these Trustees remained in post throughout the 2014/15 financial year. This audited 2014/15 Annual Report has been authorised by the designated signatory.

The charity Trustees have overall responsibility for ensuring that there are appropriate systems of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Accounts (Scotland) Regulations 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurances that:

- The charities are operating efficiently and effectively
- The charitable assets are safeguarded against unauthorised use and disposition
- Proper records are maintained and financial information used by the charities is reliable
- The charities comply with relevant laws and regulations

The systems of internal controls are designed to provide reasonable, but not absolute, assurance against material misstatement or loss. The systems of internal control follow that of the Council itself and, as such, much of this is delegated to the Director of Finance and Shared Services. The Council continually seeks to improve the effectiveness of its systems of internal control so that any irregularities are either prevented or quickly detected. The systems of internal control are based on a framework of regular management information, financial regulations, financial and administrative procedures (including segregation of duties), management supervision, and a system of delegation and accountability.

The Accounts and Trustees Report are prepared by the Finance service of the Council.

The appointed auditors are Audit Scotland. The Council has agreed to meet the cost of this audit and not pass this on to the Trust. This is to provide additional financial support to the Trust, ensuring that core funds are not eroded prior to re-organisation.

The Trustees will only meet as and when required during the year, and will ensure that the required accounting arrangements are adhered to. Due to the limited ability to spend funds under the current structure, there was no requirement for Trustees to meet during the year to discuss the allocation of funds. During the year, the Trustees approved the transfer of the assets of the Trust to other charities that have similar aims to the Trust. Approval for this was received from OSCR in 2015/16.

Management of Funds and Investment Policy

Decisions regarding the management of William Watson Mackay Trust are made by the Trustees. They rely on the expertise of the Council to manage the investments to ensure the maximum return at the least risk to the charity. In this way, the income stream for the future benefit of the charity is protected.

Funds available are invested each year with interest earned.

Objectives and Activities

This bequest was made with a number of uses listed such as; the alleviation of human suffering from physical disease, and the provision of improving lectures.

Performance

Income to William Watson Mackay Trust comes from investment returns. The average interest rate for any internal investments with the Council's Loans Fund was 0.3% in 2014/15.

No activities were carried out in 2014/15. The current bequest only allows for the expending of income earned during the year, and the sums involved are very small. The Trust is therefore unable to achieve any significant benefit to recipients the way it is currently structured. The assets of the Trust should be distributed to other charities in 2015/16.

Financial Review

The total sum available to this Trust is £0.016m. Income earned during the year comprised £96 of interest on investments.

The Trust held cash and bank balances at 31 March 2015 of £0.016m.

Reserves are held by the Council on behalf of the Trust and revenue income, generated from capital that has not been disbursed at 31 March every year, is invested in line with the investment policy outlined above.

Report of the Independent Auditors to the Trustees of William Watson Mackay Trust

Independent auditor's report to the trustees of William Watson Mackay Trust (SC015404) and the Accounts Commission for Scotland

I certify that I have audited the financial statements of William Watson Mackay Trust for the year ended 31 March 2015 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the statement of receipts and payments, the statement of balances, and the related notes. The financial reporting framework that has been applied in their preparation is a receipts and payments basis.

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 125 of the Code of Audit Practice approved by the Accounts Commission for Scotland, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Respective responsibilities of the trustees and auditor

The trustees are responsible for the preparation of the financial statements which properly present the receipts and payments of the charity. My responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) as required by the Code of Audit Practice approved by the Accounts Commission for Scotland. Those standards require me to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts or disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, I read all the financial and non-financial information in the annual trustees report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Opinion on financial statements

In my opinion the financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2015 and its statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Opinion on other prescribed matter

In my opinion the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which I am required to report by exception

I am required by The Charities Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or

-
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.
