

Step up and shape the future

Calling all Lennoxton residents, workers and visitors!

This is your chance to be involved in shaping how your community can be improved.

The Council wants to hear your priorities, ideas, views and experiences as part of a four-day Charrette process to help ensure Lennoxton village centre survives and thrives. We can't do it without you.

Public drop-in times at Campsie Memorial Hall are:

- Friday 11 March 2016 – 11am-7.30pm
- Saturday 12 March 2016 – 9am-7.30pm
- Sunday 13 March 2016 – 9am-7.30pm
- Monday 14 March 2016 – 9am-12.30pm
(closing presentation – 4.30pm)

Views and ideas will help inform an action plan for Lennoxton, which will aim to improve and influence economic development, streetscape design, service delivery, regeneration, and health and social issues in the area. It will also help to secure funding, in association with partner agencies, organisations and groups.

Get involved, get inspired, get innovative
