What is 'Recovery Focus'?

'Recovery Focus' is a booklet that provides information on the Alcohol and Drug Services and recovery support available in East Dunbartonshire. This information includes opening days/hours and contact details of these services. Copies are available to download on the East Dunbartonshire Health and Social Care Alcohol and Drug Recovery Service page <https://www.eastdunbarton.gov.uk/health-and-social-care/services-adults-and-older-people/alcohol-and-drugs-recovery-service> or printed copies are available on request by emailing EastDunbartonshireADP@eastdunbarton.gov.uk.

Alcohol and Drugs Recovery Service

ADRS aims to improve the lives of people with alcohol and drugs problems in East Dunbartonshire. You can contact ADRS on

0141 232 8211 (within office hours).

<https://www.eastdunbarton.gov.uk/webform/alcohol-and-drugs-recovery-service-adrs-referral-form>

We offer assessment, support and treatment for alcohol and drugs issues by offering person-centred, recovery-focused care and treatment. We may refer you to other recovery services when appropriate. Once we receive a referral, we will offer you an appointment within three weeks to assess your needs and agree a recovery plan. You are welcome to bring a friend or family member to your assessment appointment.

Ceartas

Ceartas provides independent advocacy across East Dunbartonshire for adults over the age of 16.

Independent Advocacy helps you make your voice stronger and seeks to ensure you have as much control over your life as possible. It is called independent because advocacy is separate from services such as social work, health and other support services.

An Advocacy Worker will:

- Always try to find out what you want
- Help you find out information about your options
- Ensure you have time to think about your choices
- Help you tell other people what you want to happen
- Always listen to you without judging you

Group Recovery Aftercare Community Enterprise (GRACE)

People Supporting People Auchinairn

A local peer lead membership organisation and local charity serving the whole of East Dunbartonshire.

GRACE provides recovery after-care for people who have experienced life traumas such as ill health, loneliness and isolation, mental health issues and homelessness problems and also those who are settled in recovery from addiction to alcohol, drugs or gambling.

The group provides learning, training, health and well-being activities, personal development, and physical pursuits for those in need of support, enabling them to become a positive, useful member of the family and community. We encourage all members to engage in peer support and volunteering, which may lead to better life opportunities through increased confidence and enhanced skills.

GRACE supports individuals through a recovery peer-led aftercare model, which aims to support individuals that have experienced life trauma into a brighter future. Grace offers a pathway between recovery and social inclusion, by assisting members in building confidence to overcome trauma and avoid relapsing.

Scottish Drugs Forum (SDF)

Research and Peer Engagement

We recruit volunteers who have living or lived experience to be peer researchers with SDF. They receive extensive training and support from our team and will be involved in evaluation/research projects in East Dunbartonshire. These projects focus on experience of individuals' using local services and peer researchers encourage people to feel comfortable in sharing these openly and honestly without judgement. Peer research volunteers receive access to other opportunities within SDF and beyond and will be supported to access these as they wish to.

SAMH

The Foundry – Community Rehabilitation

The Foundry is a Community based Rehabilitation Service, commissioned by East Dunbartonshire Council to provide support to individuals who have experienced alcohol and drug misuse within the East Dunbartonshire.

We will support individuals through their own recovery and promote understanding and choice. At the Foundry we encourage all forms of recovery. We will support individuals to identify their needs. Within the Foundry we work with the SMART recovery programme Self-management and recovery training. Which supports individuals to look at thoughts feelings and behaviours. Smart recovery helps individuals recover from addictive behaviour and leads them to live a more satisfying lives.

SAMH has their own devised program called Tools For Living which is a personal development program. This program looks at other areas of individual's lives. This entails physical health and wellbeing, mental health and wellbeing, emotional awareness communication, confidence and self-esteem. Personal resilience, assertiveness, anxiety and stress. Within the Foundry staff experience supporting individuals through homelessness mental health, crisis interventions.

At the Foundry we will support individuals to understand the Medication Assisted Treatment standards (MAT) Scotland. Which then supports them to make an informed choice in their own support.

Opening days/hours	Monday to Friday 9am to 5pm, the times can be adapted to the needs of the participants.
