

Kirkintilloch Business Gateway Masterplan

Public Consultation

November-December 2021

What is this consultation about?

'Kirkintilloch Business Gateway' refers to the area between the A806 Initiative Road and approximately Woodilee Road. It currently contains a mixture of existing businesses (including P W Hall and other companies) and vacant/derelict sites.

The Council wants to support existing businesses and encourage the development of vacant and derelict land in the Business Gateway area to create jobs and employment. To help with this, we need your views on the draft masterplan
