

SLT requirements, for new school.

- ① Desk / space to write up notes
- ② Space to store equipment (built in cupboards ideal as current space very cluttered and messy)
- ③ Space to meet with parents in private as so much of our work is done in consultation with them and staff members.
- ④ Access to EMIS (need good wi fi signal!!) As all our notes are electronic + diary. May require a box to boost signal if this isn't good on new site.
(Can't access ~~the~~ education wi fi as systems won't allow)

Outdoor spaces

Garden area / Picnic area, PE area.

Nature / Nurture zone,
Wheelchair swing / roundabout,
gym trail
outdoor exercise equipment.

- bikes storage
- outdoor storage for bikes, tools.
- hobbit house.

Wheelchair tunnels, bumps, traffic lights.

- trim trail / climbing environment

|| touchscreen
in every room ||

Learning + P.E/Activity Spaces

- Tracking for hoisting in each class.
- Blinds in between glazing for option of blackout
- Quiet ~~rooms~~ rooms attached to every class.
- Electric windows + blinds
- Resource + physical equipment storage attached to every class.
- Sinks (children's height + adults height) in each room.
- Secure outdoor space (preferably sheltered) attached to every class.
- Kitchen area in each class.
- Lighting with dimmer and remote switches
- Toilet + changing room attached to every class.
- Lockable doors
- Dark room / sensory room for each class.
- Separate P.E. Hall - specific for sports with changing facilities attached.

Outdoor space and additional features

- A mix of green space and soft flooring outside
 - Sensory garden
 - Covered areas
 - Outdoor storage (for bikes etc)
 - Feature areas e.g. mud kitchen, adventure area, water play area.
 - Equipment for primary + secondary equipment
 - Small pitch
 - Separate outdoor area for nursery
 - All areas to be wheelchair accessible.
- All areas sectioned off (gated areas).
- Big enough for a few classes out at once.
 - Outdoor sandpits.
 - Road markings on soft outdoor area.

• wheelchair specific area in playground.

Additional features

- Parents' room (for social purposes)
- Meeting room (for reviews etc.)

Specialist spaces

+ circulation + shared space

- More than one cooking room (Home Economics).
- More than one hall - canteen / P.E / big hall (with stage) for shared activities. Gym for senior pupils.
- Double width corridors for wheelchairs and possible class activities.
- Music / Art / Drama (stage) rooms (soundproof music room)
- Clean area + private area for nurses + changing room + toilet
↳ for clinical work
- Physio exercise room / speech therapy room.
- Messy room (which could be hosed down e.g. messy art)
- Hydrotherapy / splash + big pool (separate area for each pool)
(4 shallow)
- Soft rooms in each section of school (calm zone + observation room)
- Tracking in changing rooms with cubicles.
- More than one soft play and more than one sensory studio
- Own kitchen (not food from High School) to suit diets of our own children.
- Bigger staff room - for all staff comfortably.
- communal area - higher ceiling (not too high)
- Air con for big spaces
- work surfaces
- communal resource room
- Laundry
- Big car parking area with # specific bays for taxis and buses.
- Heating which can be controlled in school / Air conditioning
- Rebound therapy room.
- Intercom system
- Adjustable height smartboards.

PE/activity spaces

- Hydro-pool and Swimming pool (min 10 metres). Tracking and hoisting down to pool.
- Good changing room facilities ie. bigger, wet room shower, accessibility to towels, swimming costumes, dry area for hair to be done etc.
- Splash pool (with above changing facilities).
- Soft play with air conditioning, tracking and accessibility toilet.
- Fitness suite - treadmill, parallel bars, reclining bike, cross trainer etc (tracking)
- Gym hall with partition and large equipment cupboard. Ceiling should be high enough for trampoline. Doors that lock. Seperate room so no passage-way.
- Sensory room - big enough for more than one wheel chair (with tracking)
- Outdoor play area - space to run, trim-trail, bike-riding area etc. - track painted on tarmac.
- Accessible storage areas (designated areas for outdoor learning)
- Sensory garden area
- Outdoor areas must be enclosed with high fences.
- Fob to open gates rather than padlocks or bike locks.
- Covered stage area that could be used for stories / drama etc.
- No glass roofs (too hot!).
- Physio area off each class - ~~multi-purpose as it could be used for~~ IEP room off within each class, changing rooms / toilet in each class.
- Home Economics room that is accessible for wheelchairs. (wide enough to move round tables, sinks that go up and down etc).
- Music room - sound-proof.
- Art room - with space to store all the art materials
- Relaxation / Yoga room (quiet room that can be easily blocked out (with noise canceler)).

- Bowling alley.
- As much space as possible inside and out
- Varied surfaces eg. slopes, bridge, stairs
- Assembly / lunch hall (not with high ceilings as acoustics cause sensory issues with our pupils).
- No strip lighting - appropriate lighting for each area eg. dimmer switches for classrooms.
- Lots of accessible storage spaces.
- Shop / role play area with working till so pupils can practise buying things without having to go out all the time.
- Designated gardening / planting area with raised garden beds for wheelchair users.
- All areas accessible yet secure.
- Parents' / meeting room.
