Commenter Type: Member of Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I wish to object to the proposed development of the new Lenzie Academy at Whitegates Park, Lenzie.

My objection is based primarily on material planning considerations including:

1. Inadequate and flawed consultation process
2. Policy conflict and loss of protected space
3. Severe, unmitigated contamination and public health risks
4. Profound environmental, climate, and biodiversity concerns
5. Social equity concerns
6. Unjustified expansion and projected roll numbers
7. Traffic congestion and road safety issues
8. Environmental risk - flooding and contamination
9. Scale, mass, and accessibility
10. Conflict with emerging legislation & ethical standards

Space in this comments box doesn't allow for me to adequately expand on the above points, but I have emailed my full objection letter to the Planning Dept.
