Address: Whitegates Park Middlemuir Road Lenzie East Dunbartonshire

Proposal: Erection of a secondary school including road access, landscaping, car parking, sports pitches, recreational areas and associated development.

Case Officer: Fraser McNair

Comment Details

Commenter Type: Member of Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:1) I live close to whitegates park (which is in Kirkintilloch NOT Lenzie) and the surrounding streets will be an absolute nightmare if this goes ahead / middlemuir, woodside ave, monklands

2) MOST IMPORTANTLY, this site was classed unsuitable for building on when looked at for the new ASN school, so why is it ok to build a bigger school on it now.?

3) this area is 1 of only a few parks left in the area where people see wildlife, walk dogs, take there family there (as i did) to learn to ride a bike, i am appauled that this destruction seems to be ok with Edc.

4) I currently have a child at Lenzie Academy and do agree that the pupils DO need a new school as i also attended the current Lenzie Academy. But not at Whitegates park.
