

# Comments for Planning Application TP/ED/26/0104

## Application Summary

Application Number: TP/ED/26/0104

Address: Whitegates Park Middlemuir Road Lenzie East Dunbartonshire

Proposal: Erection of a secondary school including road access, landscaping, car parking, sports pitches, recreational areas and associated development.

Case Officer: Fraser McNair

## Customer Details

## Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to the proposal. The park is a much used green space and repurposing for a school is inappropriate. The park has already been considered for building a school was deemed unfit.

The school should be rebuilt on the existing plot, as many other schools in ED have been. I would also be directly affected by a school being built here due to the proximity of my house.
