Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I wish to object to the proposed development of the new Lenzie Academy at Whitegates Park,

Lenzie. My objection is based on material planning considerations including

- a flawed consultation process
- policy conflict and loss of protected space
- biodiversity impacts
- unjustified projected need
- transport issues
- environmental risk - flooding and contamination

I have personally observed flooding or standing water on the site during wet weather.

I already experience congestion and safety issues on the surrounding streets during school hours.

I value the wildlife and natural character of this area, which would be significantly reduced by this development.
