Hi Fraser,

Hmmm ... I see now that [REDACTED] sent the objection as a download , very odd... maybe it was because there was a large video file and it bundled the pdf with it.

Here it is as a xlx file.

Dear McNair .

I wish to formally object to TP/ED/26/0104 and TP_ED_26_0341

I have as usual written the objection up as :

"Objection or area of objection"

"Why it matters, why it is a material consideration and why it is an objection OR why it demonstrates procedural unfairness or predetermination, and renders TP_ED_26_0341 or TP/ED/26/0104 unlawful"

And I quote the relevant legislation or guidance

Please acknowledge receipt.

Once again in the interests of information flow I have copied AD and GL
