Address: Whitegates Park Middlemuir Road Lenzie East Dunbartonshire

Proposal: Erection of a secondary school including road access, landscaping, car parking, sports pitches, recreational areas and associated development.

Case Officer: Fraser McNair

## Customer Details

## Comment Details

Commenter Type: Community Council

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: This comment seeks to correct a map mistake which means a safe road crossing cannot be provided across Woodilee Road in the manner shown. This is on figure 34 of Transport Assessment document where a north-east crossing is shown across Easter Garngaber Rd and, after a short length of footpath on Woodilee Rd, a further north-west crossing is shown. These two crossings are required to give walkers and cyclists safe crossings from Easter Garngaber to the Railway Path. However, the empty area shown South-East of Woodilee Road is no longer empty and now has three large houses with driveways across the footpath and brick walls/piers on the footpath edge
