Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am objecting to this application on 3 main points.

The first is that the site was deemed unsuitable several years ago for the construction of a special needs school. Nothing has materially changed in that time that would make this new plan suitable.

The second point is that the park is a beloved local resource, used by local residents and those further afield.

Third point is that access to the site is off a carriageway (Initiative Road) that links to main parts of the Kirkintilloch/Lenzie area. Any access point on this route will cause major disruption to traffic flow at busy times during the day. There will be a short distance from the roundabout that serves the eastern part of Kirkintilloch and the new Aldi store with the proposed entrance to the site.
