Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Fully support the new school being built here.

Every time I walk through, I never see anyone playing on the football pitches. I think in quite a number of years, I've seen it used twice for any sort of sport but seen it used many times for anti social behaviour.

I see dog walkers and, if the path to Kirkintilloch is staying, they'll still be able to walk it!

I am 100% behind this and appreciate why it cannot be built on its current site, as there's no room!

The only negative I have to say is the cost increasing!

Hurry up and build it before it becomes more expensive!
