Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I fully support the new school as proposed. I was initially unconvinced about relocating to Whitegates, and would have preferred a rebuild on existing. However, local children desperately need a new fit-for-purpose secondary school and if Whitegates is the only solution then let's please get on with it. I've attended all consultations and what strikes me most is the demographic of those who are opposed. My only ask is that the existing sports pitches remain at Myrtle as part of the deal, until they reach end of life - they both offer much needed activity space for local sports teams.
