Commenter Type: Member of Public

Stance: Customer objects to the Planning Application

Comment Reasons:

- Comment:1. The planned area was previously deemed unacceptable for building
2. The impact of traffic etc on the area is not feasible - not to mention the wildlife implications
  3. There is plenty of room on the current site to carry out a tandem build or similar
  4. IF the idea is build on whitegates then make the Myrtle Rd site into a park why not just leave whitegates as is and build on the present site.
