Dear Mr McNair,

"I wish to formally object to TP/ED/26/0104 and TP / ED / 26 0341."

These formal objections have arisen from the discovery of new and relevant facts by myself and others and input from experts.

They are in my usual format which I hope is helpful , and I also make my customary request for reasons.

Again cc'd to [REDACTED] in the interests of information flow.
