Comment Details

Commenter Type: Member of Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: New school is desperately needed. Facilities are way behind other schools in the area, with likely impact on childrens education.

Any Issue with traffic at the new site is negated by the reduction of traffic at the new site.

Building new school alongside the old would be problematic, in terms of vehicle access, safety of pupils, access to sports facilities whilst construction work is in progress.
