Comment Reasons:

Comment: I fully support the rebuild of Lenzie Academy at the Whitegates park site.

The current school is in a state of disrepair and has outgrown that site. A tandem build would not be viable at that site, it wouldn't be safe for the pupils and staff.

The pupils of Lenzie need a new school, with all the modern facilities that would come with a new build, keeping them on par with the other schools in East Dunbartonshire. Whitegates park would be an idea because it is easily accessible from all parts of Lenzie. It has a good road network around it, especially Initiative road. It is also easy to reach on foot, which promotes a healthy living.
