Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I am very much in favour of the new Lenzie Academy being built on Whitegates Park. I believe people have been objecting to it on the grounds that people walk dogs there, enjoy the wildlife but my experience is that if I ever pass I barely see anyone there. In my childhood there was a play park there which is long gone and the ground is just boggy, covered in litter and barely used.

The children of Lenzie deserve a new school to match the standards of the rest of the schools in East Dunbartonshire and the location provides good access by road and also on foot.
