Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I wish to object to the siting of the proposed new school in the Whitegates park area. My objections are :-

1) The ability for the roads Laurel / Hazel Ave and Middlemuir Road to accommodate the increased level of access and drop off required will result in unacceptable congestion / parking in these streets which are not designed to cope with this level of traffic.

2) I do not see any valid reason why the school is not rebuilt on the present site which has proved a successful location over the years. Rebuilding on existing sites has been proved to be successful and avoids the obvious environmental concerns and removal of a popular green space.
