

Your trip to the Spectrum Film Club

What we will do for you

- We will clean all of the seats before and after each screening
- We will limit the amount of people at each screening so it is not too busy
- We will plan each screening carefully so we know that it is safe
- We will let you know if there are any changes to screenings
- We will be nearby during the film so you can speak to us if you need anything

What you can do for us

- If you are feeling unwell or have any symptoms of Covid-19, please do not come this month, we will hopefully see you next month instead
- Please arrive in plenty of time before the film starts so you can find a seat
- Please put your rubbish in the bin when the film is finished
- Please be respectful of other people and their needs
- Please try to not talk during the film
- Please let us know if you have any problems or if there is anything that we could do better
