

Welcome to the Spectrum Film Club

We run a monthly inclusive cinema night at Kilmardinny house in Milngavie for people on the autism spectrum (and associated conditions).

Our committee is made up of a group of people on the autism spectrum who have a passion for films. We have specially chosen what films will be screened this year based on what we think you will like, and you will see us helping out at the screenings.

Let us introduce our mascot 'Projector Pete' designed by local artist Ben Gray:

You can find information about each screening on the East Dunbartonshire Council website (google search 'East Dunbartonshire Spectrum Film Club'). There you can reserve your ticket before the screening– please do this before you come as there are limited seats!

Don't forget to sign up to our mailing list for all of our news and updates!
